

World Congress 2018

1 - 3 February, Paris. Palais des Congrès

In IMCAS 2018 the PRP stands out among the medical-surgical aesthetic treatments. Paris will welcome the most notable international PRP speakers and Proteal will be present at booth 176 on the level 3. We are looking forward to seeing you at the Palace of Congresses from February 1 to 3th, 2018!

We highlight the lectures:

Thursday, 1 February 2018

FOCUS ON S090

[Target Course – A to Z of PRP.](#)

Room: **12**. Timetable: **10:00 to 11:00**

10:00 - [Dra Rubina ALVES](#). *Introduction to PRP and Classification: how to prepare PRP, infiltrations, protocols*

10:20 - [Dr Dzihan ABAZOVIC](#). *Regenerative potential of specifically characterized PRP in skin rejuvenation*

FOCUS ON S019

[Critical analysis of non-invasive methods & techniques used for functional & aesthetic genital restoration \(in collaboration with GRIRG\)](#)

Room: **3**. Timetable: **11:00 to 12:00**

11:17 - [Dra Barbara HERSANT](#). *PRP in the feminine intimate zone*

FOCUS ON S030

[Symposium - The winner takes it all: combining HA fillers, threads & PRP](#)

Room: **4**. Timetable: **15:00 to 16:00**

By [Dr Steven H DAYAN](#), [Dr Michael PALATIN](#) & [Dr Daniel MUELLER](#)

World Congress 2018

1 - 3 February, Paris. Palais des Congrès

Friday, 2 February

FOCUS ON S121

[Alopecia & cellular therapy - Stem cells & PRP](#)

Room: **4**. Timetable: **08:00 to 09:00**

By [Dr Bruno SALAZARD](#), [Dr Pietro GENTILE](#), [Dra Rubina ALVES](#) & [Dr Katarina ANDJELKOV](#).

FOCUS ON S126 TO S128

[Lipofilling video workshop](#)

Room: **4**. Timetable: **15:00 to 18:30**

16:36 - [Prof. Ali MOJALLAL](#). *Diced cartilage and PRP in rhinoplasties*

17:36 - [Dr Barbara HERSANT](#). *Vulvo-vaginal rejuvenation with the association of lipofilling with PRP and HA with PRP*

17:51 - [Dr Randy B MILLER](#). *The combination of manual SVF and PRP for the treatment of scars*

18:01 - [Prof. Guy MAGALON](#). *Treatment of radiocarpal osteoarthritis by intra-articular injection of autologous microfat with PRP*

18:07 - [Dr Bruno SALAZARD](#). *PRP for alopecia and hair transplantation: protocols and prospects*

FOCUS ON S175

[Symposium - Ideal aesthetic triangle: combination of PRP, threads & HA fillers](#)

Room: **10**. Timetable: **16:30 to 17:30**

By [Dr Lukasz PREIBISZ](#) & [Dr Daniel MUELLER](#)

World Congress 2018

1 - 3 February, Paris. Palais des Congrès

Saturday 3 February

FOCUS ON S201

[The new world of hair restoration](#)

Room: **2**. Timetable: **08:00 to 09:00**

08:12 - [Dr Amit LUTHRA](#). *PRP & Mesotherapy for hair restoration: do they work?*

08:24 - [Dra Rubina ALVES](#). *PRP alone vs PRP with associated medication treating androgenetic alopecia*

FOCUS ON S273
